**RESTRICTED DATA REQUEST FORM**

Principal Investigator Name

Please note that no datasets or data elements may be removed from the enclave, including restricted or public data, whether original data, or variables that are derived from the restricted or public data. Researchers may wish to create their public data files outside of the enclave and request that a copy be made for the enclave.

**Data Files Requested (All data files must be described in Research Plan): PSID Geospatial Data\*\***

- County Level Identifiers
- Tract Level
- Block-Group Level\*\* (includes Tract)
- Block Level\*\* (includes Tract and Block-Group)

\*\*Because of the small level of precision of Block-Group and Block Level data, researchers who request either of these variables must additionally provide an explicit and detailed justification in their Research Plan for exactly how and why the research will benefit from having the PSID Block Group identifiers or the Block-Level identifiers above and beyond Tract identifiers. Your Research Plan must include the data to which the PSID Block Group or Block level data will be merged.
